#### WHAT IS CPG CLUB?

CPG club stands for Club of the College of Petroleum Engineering and Geosciences. It is a social academic club specialized in Petroleum Engineering and Geosciences at King Fahd University of Petroleum and Minerals

#### OBJECTIVES OF THE CPG CLUB:

1. To promote unity and collaboration among students
2. To improve student and college well-being
3. To bridge the gap between industry and the academia
4. To enlighten students about the Petroleum Engineering & Geosciences profession
5. To promote the course and the college
6. To develop a systematic framework for club activities

#### VISION:

Our vision is to get high number of members in the next few years, also wrap up different types of events and activities for the students, And to be a beneficial club for students, in the academical skills and social skills.

#### MISSION:

Our mission is to make students familiar with the petroleum industry; also, CPG club is targeting new students to introduce the college majors for them. On the other hand, CPG club is interested in supporting the CPG and non-CPG students to get knowledge and experience about petroleum industry. Where many officers and members work together in their tasks to complete our mission and achieve our vision.

## BOARD OF OFFICERS 2019/2020 :

2019/2020 CPG CLUB  
BOARD OF OFFICERS

The board of officers is presented in a grid layout. At the top right are the logos for the University of Petroleum & Minerals (UPM) and the Club of Petroleum Engineering & Geosciences (CPG). Below the logos are circular portraits of the officers, each with a nameplate indicating their position. The officers are: Nader Hashem (Organization Committee Chairperson), Natheer Slaiss (Media Committee Chairperson), Ali AlShams (President), Omar Gari (President-Elect & Secretary), Fawaz Alqahtani (Vice President), Fawaz Alqahtani (Vice President), Mohammed Alsaif (Publications Committee Chairperson), Mohammed Alghamdi (Visitation Committee Chairperson), Hussain Alqahtani (Competitions committee chairperson), Jafar Alhammad (Projects committee chairperson), Fayed Alsubale (VP for Public Relation), and Hussin Almosa (Treasurer).

## WORKING BEGAN BEFORE THE SEMESTER:

The first step was made before even the beginning of the academic year, the committees positions of 2019/2020 year were announced in 17th July, and the officers applied to the positions . The aim of This process was to start the journey of success with strong base and to have officers ready for the work with the beginning of the year.

## INTRODUCTORY MEETING:

The Club of Petroleum Engineering and Geosciences started its success of this academic year by holding the introductory meeting of the club in the first week of this semester on Wednesday 4th of September in the student activity hall.

At the beginning of the meeting, the club president welcomed the audience and introduced the club and stated the objectives, vision, and mission of the club. One of the club's visions for this year is to be one of the best clubs at the university. After that, the achievements of the club since it was established in the last academic year 2018 was shown.

Then, the club's president announced the 2019/2020 CPG club board of officers who nominated themselves in July. Each committee chairperson has defined his committee and its tasks so that the new members can choose the suitable committees for themselves. The six committees of the club are Me-

dia committee, Organization committee, Projects committee, Visitation committee, Competition committee, Publications committee. After introducing the six committees, the club opened the door to join the committees and the attendees had dinner.

Finally, after the members joined their appropriate committees, each committee chairperson met with his members to enhance communication between each committee chairperson and his members and clarify the details of the committee and the system of its work. The number of registered members of the club committees reached more than 45 students from different levels and majors.

## INVEST YOUR TIME INFORMATIVE MEETING :

The club of Petroleum Engineering and Geosciences in cooperation with (Shabab Kits) completed the success of this semester by holding an educational and guidance workshop on Tuesday 10th of September entitled (Invest your time) by the speaker Mohamed Khatan expert in e-learning techniques in Etaddigital, the workshop was held in the building of Petroleum and Geosciences with the present of more than 20 students.

The speaker discussed three themes in the workshop: How to get experience as a student, etad model for con-

tinuous improvement, self-development from nothing and self-marketing. A lot of experiences have been mentioned about how to develop yourself, the most prominent of which are: the problem of shyness while dealing with others, relationships priorities in employment and ways to enhance the useful skills of students in the future, then the solutions to each problem was mentioned. Khatan concluded the workshop by mentioning the importance of documenting business on social media sites such as experiences, testimonials, and finally skills.

At the end of the workshop, the president of the club honored and thanked Mohammad Khatan for his invaluable efforts in helping the students to invest in their university life in order to reap the fruits of the future. Also the club would like to thank the students who attended the event and hope they do the best in their future.

## ENTERTAINMENT MEETING :

The club of Petroleum Engineering and Geosciences held on Monday 16 September an entertainment meeting for the members of the club in the presence of more than twenty members. The meeting was held in the students mall and organized by the Competitions Committee, the meeting consisted of four events, which is playing with the PlayStation, scientific and cultural competition, and card games.

The meeting started with a scientific competition consisting of 20 questions with the participation of seven teams, where every three players were distributed in one team. After that the memory power competition was organized by dividing the participants into 3 groups each group consist of 6 players. After the qualifiers the three winners from each group compete to win and eventually won the competition Jaafar Al-Hamad and Walid .

The meeting ended with playing cards and PlayStation and the audience then had dinner. The club also thanks the participating members for their contribution to the success of the meeting and wished them success.

## SAUDI NATIONAL DAY CELEBRATION :

2019/9/24

On Tuesday 24th September. National Day celebration was held by organizing from SPE, SEG, AAPG, EAGE, SPWLA student chapters, and CPG club in the lobby of building 76,

Mohammed Al-Quriashi, SPE-KFUPM President, started the celebration by welcoming the students and faculty members. He explained that all students chapters and CPG club are gathering as one hand.

Dr.Abdulaziz Al-Kaabi, the dean of CPG, ended the celebration by cutting the cake to celebrate the National Day. also Dr.Al-Kaabi said that such events represent our love for our country.

Dr.Dhafer Alshehri, the chairman of the petroleum engineering department, stated that this is a happy day and it is a pleasure to gather all CPG students on this day and finally he hopes to celebrate on this day in the college every year

## MEMBERS IN COLORADO:

Two members of CPG club had a hike in Estes park, Rocky Mountain National Park, Colorado. The objective of the hike is to reach the summit and celebrate the Saudi National Day.

Saud Alasiri and Abdullah Albukhamsin, Exchange students from KFUPM, reached the summit of Estes Park with the association of Saudi Club in Colorado School of Mines. The hiking group consisted of 62 student from CSM with a trail of 27 Km and 5 beautiful lakes along the trail for the hikers to take a rest

Abdullah Albukhamsin stated that the hike started at 9:00 AM as it took them 5 hours to reach the summit, and to gather up the entire team in the summit to sing the Saudi National anthem.

## MEMBER OF THE MONTH AWARD :

Member of the month is an award for the active members of the club, the purpose of this award is to increase productivity of the members and encourage them to participate in meetings.
